LEVEL UP

Kill (4 x current level) monsters then:
Gain +d6 HP, choose one stat to +1,
increase current level by 1.

SAMPLE CHARACTER

Lar the Priest

HP 4 | STR 0 | AGI -1 | PRE +1

Gear: Torn robes, sack, crucifix, cudgel

Spells: Rot Chariot

SKILL CHECKS

STRENGTH Crush, strike, grapple
AGILITY Defend, dodge, flee
PRESENCE Sense, aim, channel
roll d6 + relevant skill:
1-3 fail
4-5 yes, but...
6 success

DUNGEON

Roll d6 for each dungeon encounter, starting from the GOLD square. To advance, roll again and you count from the last result that came up(moving right along the row then wrapping down to the one below). You decide what each square means.

REST

3 times per dungeon level you may regain d6 HP.

WINNING

All dungeons are two floors, you go to the next floor by landing on a VICTORY square. The first time you arrive you receive a magical item. The next time you arrive it means you have completed the dungeon.

ENCOUNTER

1-3	Hostile
4-5	Indifferent
6	Unaware

COMBAT

You act first.

1. STR for melee or PRE for ranged/spell attack check to hit, then deal d6 damage(minus any armor)
2. AGI check to dodge enemy, or take d6 damage(minus any armor)
3. Skill check if enemy is below 1/3 it's max HP to see if it flees
4. Repeat until either side dies/runs away

ARMOR

Flat reduction to damage.
Hits always deal a minimum of 1 damage regardless of armor unless that would bring a character to 0 HP.

SPELLS

Cost 1 HP to use. d3 HP on failed cast.
